in Eligibles.

Manager Cornell, of the Cornell Company team, which last year won the District amateur baseball title and the intercity championship, presents many new names this season for registration in the amateur commission. The list includes many of the best players in the District and of the new ones Manager Cornell has many complimentary things to say.

Arthur Noyes, Hayes, Cy MacDonald, Vaughn, Al. Handboe, Phipps, and Kerr have been retained from last season. Of those who have never before played for Cornell, Bernie Gallagher, Mike MacDonald, Sam Edmondson, Johnny Salk, Battiste, of Gallaudet University, and "Chief" Green, of Catholic University are best known. Gordon Smith, Len. Leverton, Norris, Raymond Kind and Norris are also listed for Cornell and Company.

Petworth, of the Suburban League, sends contracts to the following men: Deever, Vickery, Norris, Fague, Zannelli, Hamman, Leland, Evans, Barnes, Moran, Hackett, Miller, Devinal, Smith, Ritchey.

Prize for Best Batter In Sunday School Games

A prize will be awarded the best batter in the Sunday School League by Mark Blum, and it is expected that others interested in the league will follow suit in the matter of donations. Representative U. M. Brown has consented to toss out the first ball at the opening game on Monday.

Third No-Hit Game.

CHARLOTTESVILLE, April 28.—Virginia is getting rather used to no-hit games, as the one played yesterday with V. M. I. was the third of the season. Virginia won, 11 to 0. Both Witmer and Grant pitched hitless ball for the Orange and Blue, and no semblance of a safety was made off them. Throckmorton was rather easy for Virginia, and he was pounded at all corners of the lot.

MOTORING INTEREST KEEN IN CAPITAL'S TOUR CLUB OFFICE

First Branch of American
Organization Opened
Today.

MANAGER MARK UP ON CONDITIONS

Not Only Well Known In Wash-
ington, But Throughout
This Section.

By HARRY WARD.

The fact that the first branch office of the Touring Club of America has been established in Washington is of more than passing interest to the motorists of this city. The office was opened today in the Colorado building, with Leroy Mark as manager.

Mr. Mark is well known, not only to Washington motorists, but also to automobile owners throughout this section of the country. He has toured extensively and is well acquainted with road conditions and touring facilities on all the routes to important places adjacent to the National Capital. He is one of the founders of the Automobile Club of Washington, and was its secretary for a number of years. He is now vice president of the club. Mr. Mark's familiarity with touring conditions in the vicinity of Washington will be of great aid to out-of-town motorists touring to Washington, particularly as he holds a special dispensation from the commissioner of motor vehicles of Maryland to issue Maryland licenses.

Frederick H. Elliott, secretary of the Touring Club of America, arrived in Washington today to attend the opening of the Washington branch. He will be a guest tonight of the Automobile Club of Washington at the opening of the club's country home on Georgia avenue.

The establishment of the Washington branch is the result of a large number of requests received at the organization's main office in New York from motorists residing in the District of Columbia, Virginia, and Maryland, that such an office be opened here with a view to stimulating interest in touring. This territory will be covered by the Washington branch. The touring club numbers among its members many prominent residents of Washington, among them being Vice President James S. Sherman, Logan Waller Page, director of the office of public roads; Representative W. H. Wiley, Simon Kann, Harrington Mills, Joseph M. Stoddard, Hugh S. Legere, and W. H. Moses.

Fred L. Harvey, who is known to many of the motorists of this city, has been appointed manager of the Firestone agency of George Mealey. Mr. Harvey will assume his new duties Monday and a host of friends in the motoring fraternity are wishing him much success in his new field.

The Cook & Stoddard Company reports the sale and delivery of a Pierce-Arrow landaulet to Mrs. W. C. Stoddard, wife of former Representative Wade-worth of New York.

Ray Harroun, who drove a car in the Munsey reliability tour two years ago, and was hailed at the close of last season as the retiring king of the speedway, has returned to the game because of his honors at the wheel of a Marmon "six." When asked why he had returned to the sport, he said: "I have never since last fall that I have given up racing. Harroun's face lit up as he said: 'I like it.' Harroun won more important races on American speedways last year than any other driver. Fifty races were won by him during the season."

Army and Navy Defeat Surprises Even Victors

The big margin by which the Army and Navy Clubs were defeated by the Friends' School team on the Tenleytown grounds was surprising even to the victors. The score was 11 to 4. Low, Baker, and Kimball started for the Quakers, while the work of Kirk at second base for the losers was also worthy of commendation.

CENTRAL HIGH TIES WESTERN TEAM BY BEATING BUSINESS

All the Peculiar Situations
Known in Baseball At-
tend Game.

Central is tied with Western today in the interscholastic championship baseball series by virtue of winning from Business, 8 to 4, in a game replete with all the peculiar situations known in baseball.

The quick shift of the second game to the Capital City grounds was necessitated at the last minute, and the faculty advisers are today thinking the matter over with a view of going elsewhere for the completion of the series or making adequate preparation for the crowd which wandered over the field and stopped the game at times.

The game suffered on account of the crowding, and the close proximity of players and spectators to the home plate. An accident to Captain Boettler in sliding to second nearly cost Central the game, as his ankle went back on him and he was in distress for three innings. Central took the lead in the first two innings and Business managed to get even in the seventh.

In the eighth Wood's generosity in passing batters and the wobbling of the Stenographers presented Central with the game.

Wood played a good game throughout, and with better support should have easily won his game. Boettler was off color, and his work suffered in comparison. In addition to striking out eleven men, Wood got three hits, one a triple.

The Score:

Defeat of Kensington Pleases Navy Team

The Navy Department team is well pleased with its victory over the Kensington team at the latter place yesterday by 11 to 10. It was the first defeat of the season for the Kensington team. There was ragged playing on both sides, and darkness caused the game to be called off in the sixth inning. Warthen, the second baseman on the Kensington team, carried off the batting honors with three hits.

Will Elect Arbiters.

The election of a board of arbitration is the most important business scheduled to come up at a meeting of the amateur commission at Spalding's store, in Fourteenth street, tonight. Just who will be the two men to sit with President Young on the board is problematical, and a great deal of opposition is expected when some of the previously proposed names are again presented.

GEORGETOWN'S MEN HOPE TO CONQUER COMMERCE TEAM

Chamber Nine Will Play
First Game of Season
This Afternoon.

While not in the best condition, the Georgetown team is confident of defeating the Chamber of Commerce nine in the latter's first game of the season this afternoon at Georgetown Field. The Chamber of Commerce players have been practicing for some time, and their rosters are sure of victory.

The Georgetown line-up in yesterday's contest at the Hilltop, when the Blue and Gray was shut out 7 to 0, was the weakest that has been presented this year, and support accorded Pitcher Talbot Lynch was similar. Captain Sitording, Murphy, and Davis were out of the line-up, and substitutions were made which detracted greatly from the strength of the nine.

Lynch pitched a much better game than the score would indicate, but with his teammates making ten errors behind him it would be too much to expect a victory under such circumstances.

The victory goes to the credit of Dave Robertson, who tossed thirteen of the Blue and Gray batters to strike out. Five hits were all Georgetown could get, and three of these were made by Cogan.

Hunt, the star fielder and hitter on the Hilltop team, was struck by a pitched ball and knocked unconscious, but is entirely recovered today. The work of little Martin, who relieved Costello in right, was the only redeeming feature of the game.

Following is the score by innings:
Georgetown..... 0 0 0 0 0 0 0 0
A. and M..... 1 0 1 2 1 0 2 7
Batters for Georgetown—Lynch and Furr; for A. and M.—Robertson and Self.

Capital Cricketers Start Practice Today

Practice of the Washington cricket club starts this afternoon at the Rock Creek Park grounds. The club plays at a new plot directly north of the old grounds, as the latter are being put in condition for next season.

All cricketers who are not members of the club are invited to participate in the practice. There is great interest in the game among the club members, and a successful season is anticipated.

LINK IN BANDAGES FOR SECOND BOUT WITH THE ITALIAN

Fall Over Footlights Into
Orchestra Pit Not
Serious.

If Shad Link goes up against Perelli, the Italian wrestler, in a return bout tonight, he will do so with a sore back and cut head, for the Italian last night threw Shad over the footlights and down into the orchestra pit of the Gayety Theater.

Link has returned to his home in Baltimore, and although a final examination of his injuries has not yet been made, it is said he emerged with lacerations of the back and head.

The Baltimore wrestler, who does most of his work on the mat in this city, met Perelli last night after the show. For twenty minutes they went at it hard, Link having changed his tactics from the offensive to the defensive.

From out of the muscle-right strain of a toe hold, Link suddenly shot toward the front of the stage. The wrestler fell on the footlights, breaking some of them and then plunged over the five-foot drop.

Dr. A. K. P. Harvey, of 1816 I street, who was in the audience, went to Link's assistance and soon announced that the bones were broken. For a time it was thought that the match could go on, but it was finally announced that the two men will meet again tonight.

The match was awarded to Perelli.

SECOND AMATEUR LEAGUE TO BEGIN ITS SEASON TODAY

Union Station and Southern
Teams, of Railroad Y. M.
C. A., to Contest.

The second of the amateur baseball leagues will open today at Fifth and Florida avenue northeast, when Union Station and Southern, of the Railroad Y. M. C. A. circuit, begin play.

Many preparations have been made to insure success for the afternoon. Both teams will start from Union Station in eight-seater automobiles at 4 o'clock, and headed by Historic Band, will tour the city.

By 5 o'clock it is expected that both teams will be ready to play, and at the instance of Chairman B. H. Tolson, of the management committee, Umpire Handboe will start the game.

The teams will line up as follows:
Union Station—Merchant, first base; Allensworth, second base; Osborne, shortstop; Stratton, third base; Thompson, left field; Taylor, center field; Kurtz, right field; Anderson, catcher; Umbaugh or Knighton, pitcher.

Southern—Holburne, third base; Gregory, second base; Thompson, right field; Platz, center field; Naughton, left field; Stroble, first base; Young, shortstop; Fitzgerald, catcher; Williams, pitcher.

Potomac Boatmen to
Discuss Season Plans

Plans for the season will be discussed at the smoker of the Potomac Boat Club at the boat house tonight. An attractive program of entertainment has been arranged by the committee in charge.

Joe Turner and Nick Ross will furnish a wrestling bout and a half hour of "black art" will follow. Several good sparring bouts have also been arranged. The committee, consisting of A. B. Dent, D. S. Bliss, Claude Parker, W. J. Bacon, and Charles Bowie, now are planning the first club dance to be given at the club house on Friday, May 12.

FROM LAUREL TO HYATTSVILLE TEST RUN TOMORROW

Fourteen Washington Mara-
thon Trainers to Cover
Ground.

Fourteen members of the Washington Cross Country Club, at a meeting last night, agreed to go to Laurel tomorrow and run from that place to Hyattsville in preparation for the third annual intercity Marathon on May 13.

Most of the runners of that organization have been doing their training on the Bladensburg road, between Fifteenth and H streets, and the District line, but it has been decided to give the real test tomorrow in order to learn the exact condition of all of the athletes.

The men will go out to Laurel at 5 o'clock and it is expected that all will be back here by 1 o'clock.

Petworth Victim of Ninth Sunday School

Petworth owes its first real sting of decisive defeat of the season to the Ninth team of the Sunday School League, which took the game 8 to 3.

Ninth played better ball all around, and the work of Symonaskie, Harris, and Walter with the stick, was the feature of the game. Birch pitched a nice game for Petworth, and would have come off better had his teammates accorded him the right kind of support.

Joe Turner and Nick Ross will furnish a wrestling bout and a half hour of "black art" will follow. Several good sparring bouts have also been arranged. The committee, consisting of A. B. Dent, D. S. Bliss, Claude Parker, W. J. Bacon, and Charles Bowie, now are planning the first club dance to be given at the club house on Friday, May 12.

S.S.S. A PERFECT CURE FOR SCROFULA

Scrofula belongs to the type of diseases known as blood poison, and is a trouble usually manifested in childhood. It is often an inherited condition springing from some specific disease of ancestors. The ordinary symptoms of Scrofula are swollen glands about the neck, sores and ulcers on the body, scalp diseases, skin affections, weak eyes, poor physical development, etc.

The disease being deeply rooted in the blood, often attacks the bones if the poison is not removed from the circulation, and this should be seriously considered in the case of any child who shows symptoms of having scrofulous blood. Some persons who inherit Scrofula reach maturity before the trouble develops, but being "red in the circulation, the disease is bound to show itself in some form.

Frequently a debilitating spell sickens, which depletes and weakens the system offers a favorable opportunity for the disease to manifest itself. A thorough cleansing of the blood is the only method of treatment that can be of any value; the scrofulous poison must be removed from the circulation.

S. S. S. cures thousands of cases of "crofula. It is the greatest of all blood purifiers, and by going down to the circulation and ridding it of the scrofulous germs, and enriching the blood by the addition of healthy corpuscles, S. S. S. cures the disease permanently.

S. S. S. is a purely vegetable remedy, and is perfectly safe for children. If you or your child have any symptoms of Scrofula, begin the use of S. S. S. at once, and get the destructive disease forever removed from the system. Book on the blood, and medical advice free. S. S. S. is for sale at drug stores.
